What's in the Box?

Check to make sure you have everything below.

- TV Stand
- 4 Screws
- TV Remote
- 2 x AAA Batteries for Remote

What you need:

- Phillips Head Screwdriver
- Wireless Router (needed for streaming)
- Computer, Tablet, or Smartphone (needed for setup)
- Internet Connection (needed for streaming)

Installing the Stands

Do not install the stands if you want to wall mount your TV. See your wall mount instructions or chat live at www.onntvsupport.com.

You will need: Phillips screwdriver (not included)

1. Place the TV screen-down on a clean, flat, soft surface (e.g.: blanket) to prevent scratches or damage to the screen.
2. Use a Phillips screwdriver to attach each stand with the provided screws.
3. Place the TV upright on a stable, level surface.
Grab your remote

Power your TV remote by inserting the included batteries carefully matching (+) and (-) indicated inside the battery compartment.

Connecting to Power
After connecting all your devices, connect the power cord to a power outlet. The TV enters standby mode and its indicator light turns red.

*Actual placement of TV ports may vary by model.

Setup & Activation

Tip: Have your wireless network name and password handy.

Follow the on-screen instructions on your onn.™ Roku TV. If you aren’t ready to connect your TV to a wireless network, you can still use it as a regular TV.

Activate your onn.™ Roku TV using your computer, smartphone, or tablet to link to a Roku account. You need a Roku account to activate your onn.™ Roku TV and access entertainment across thousands of streaming channels.

Note: Roku doesn’t charge for activation support – beware of scams.
Endless Entertainment
Stream what you love, including free TV, live news, sports, and more. Never miss the most talked-about events, award-winning shows, latest blockbuster hits, and more. It’s easy to stream what you love and cut back on cable bills with access to 500,000+ movies and TV episodes across thousands of free and paid channels.*

*Payment required for some channels and content. Channels can change and vary by region.
